Current Language:
The collegiate director must:
1. Be a collegiate member of the Society in good standing for the immediately previous year;
2. Be a member of the Society in good standing; and
3. Have at least two years experience in the aggregate in at least two SWE positions with significant leadership responsibility.

Proposed Changes:
The Candidates for collegiate director must:
1. Be a collegiate member of the Society in good standing at the time the nomination is submitted; for the immediately previous year; and
2. Be a member of the Society in good standing; and
3. At the time of taking office, have at least two years experience in the aggregate in at least two SWE positions with significant leadership responsibility.

If Adopted:
Candidates for collegiate director must:
1. Be a collegiate member of the Society in good standing at the time the nomination is submitted; and
2. At the time of taking office, have at least two years experience in the aggregate in at least two SWE positions with significant leadership responsibility.

Rationale:
Sections 4A, 4B, 4C all begin "Candidates for." This change will make the collegiate director eligibility language consistent with the other three and clarify that the candidate must currently be a SWE collegiate member at the time they submit their nomination.

Pro:
Clarifies that the candidate must be eligible for the position before running for it. Also clarifies/maintains the requirement that the collegiate director must be a collegiate member in the year before serving.

Con:
None.

Bylaws Committee Comments:
This is an alternate version of 1608 to take into account the original proposers’ intent.
