

2020 | Mentors Connecting with Mentees

Turazo partners with companies and organizations like yours to create an inclusive, relationship-focused environment that easily connects your community for mentorship and guidance via 1-1 virtual conversations. Here is a snapshot of your year with Turazo.

You've helped your members achieve their personal and professional goals through the power of 1-1 connection

Through engagement metrics and user feedback, you've captured a clear ROI and visibility into your Turazo network's impact.

Continue to grow and strengthen the power of your community despite the challenges of 2020.

NETWORK RATING

“

This was the most amazing mentoring session I have ever had. The session was loaded with information. I learned how to build my personal brand, I was introduced to new books, and received advice on how to become successful in the industry as a woman.
